

Sameday Express – adding users

Log in as **manager** with a password of **borg**

The screenshot shows a window titled "Login to Sameday Express". It contains two input fields: "Login:" with the text "MANAGER" and "Password:" with masked characters. To the right of the "Login:" field is a "Login" button with a user icon. To the right of the "Password:" field is a "Control" button with a wrench icon. There is also an eye icon next to the password field to toggle visibility.

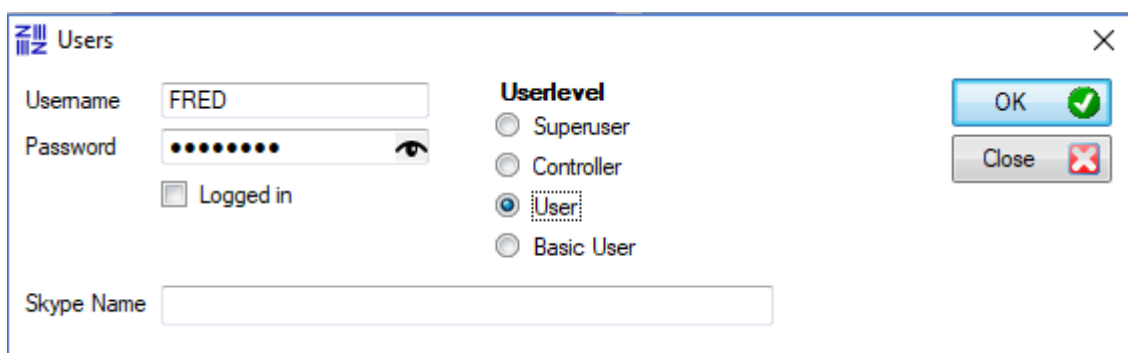

When you get to the Name Table click on NEW

The screenshot shows a window titled "Users" with a table and a toolbar. The table has three columns: "Username", "Userlevel", and "Skype". The first row contains "NORMAN", "Superuser", and an unchecked checkbox. The toolbar on the right includes buttons for "New", "Modify", "Delete", "Print", and "Close", along with navigation arrows.

Username	Userlevel	Skype
NORMAN	Superuser	<input type="checkbox"/>

Add the user

The screenshot shows a dialog box for adding a user. It has fields for "Username" (containing "FRED"), "Password" (masked), and "Skype Name". There is a "Logged in" checkbox. The "Userlevel" section has radio buttons for "Superuser", "Controller", "User" (selected), and "Basic User". There are "OK" and "Close" buttons at the bottom right.
